Description of awning and installation:

Please indicate the location and size of awnings being submitted on diagram above.

The Architectural Committee meets on the first and third Tuesdays of each month. Submittals must be in the Covenant Compliance and Assistance office by 12:00 p.m. on the Friday prior to the meeting. You will receive a written response after the Committee reviews your submittal. Do not begin installation until you have received written approval. If you have any further questions, please contact the Covenant Compliance and Assistance Department at 303-471-8821.
